

# RECYCLING EDUCATION & RESEARCH FOUNDATION

1250 H Street NW, Suite 400 | Washington, DC 20005-5903 | (202) 662-8500

---

The Recycling Education and Research Foundation (RERF) is a 501(c) (3) not-for-profit organization closely associated with the Institute of Scrap Recycling Industries, Inc. (ISRI). **The purpose of the Foundation shall be to sponsor projects which promote public awareness, education, research and the advancement of recycling.**

Over the last several years, the Foundation has become keenly aware of the number of veterans in need of financial aid as they seek to complete their undergraduate education. Understanding that not all expenses may be covered through existing government and scholarship aid, RERF created a **stipend of up to \$8,000** open to those who have served in the U.S. armed forces. This stipend covers \$2,000 per year and is renewable for up to 4 years or the length of study, whichever comes first.

## Important Dates:

1. This application must be received no later than **July 15, 2020** for maximum consideration. Contact the RERF liaison if extension is needed.
2. Awards will be announced and notifications sent by **late August**.
3. Once approved, the stipend will be sent to the individual.

## Eligibility:

1. Applicants must be a U.S. citizen, served a minimum 2 years active duty or 4 years reserve duty in a branch of the U.S. military, and have been honorably discharged. *Please note that while this stipend is intended to support those who have completed military service, it does not exclude members of the Ready Reserve who are in a non-drill pay or non-drill status.*
2. The applicant must be admitted to an accredited educational institution (four-year university, community college, trade or vocational school) as listed by the U.S. Department of Education at <http://ope.ed.gov/accreditation/Search.aspx>, must be a full-time student and must be in a **non-graduate** level program.
3. Board Members of the Recycling Education and Research Foundation and their dependents, as well as employees of the Institute of Scrap Recycling Industries, Inc. and their dependents are not eligible to receive a stipend.

## Stipend Retention:

This stipend is for \$2,000 awarded annually for 4 years or the length of your study, whichever comes first. The responsibility relays on the candidate to submit official transcripts prior to the start of fall semester each year showing an overall GPA of 2.5 or higher on a 4 point scale to retain his or her stipend. **If a candidate does not submit his transcripts at the beginning of the fall semester, the candidate forfeits his stipend for that year. No back pay of stipend is allowed.**

---

## Requirements:

1. Completed and signed application.
2. A copy of your DD form 214 (please black out your Social Security Number).
3. Answers to the essay questions.
4. 2 original, signed, and dated letters of recommendation. *Recommendation letters cannot be older than six month from application date.*
5. A resume detailing military duty and awards, volunteer activities, community services and jobs held during the past 5 years.

## Submission (three options):

Email: [ngrant@isri.org](mailto:ngrant@isri.org)

Mail: Natasha Grant, Institute of Scrap Recycling Industries, Inc.  
RERF Veteran's Stipend Program  
1250 H Street, NW Suite 400  
Washington, DC 20005

***For more information call (202) 662-8524 or email [ngrant@isri.org](mailto:ngrant@isri.org).***
